ViaAir Announces Seasonal Nonstop Service from Charlotte, NC to St. Augustine, FL
Introductory fares as low as \$68 available only at FlyViaAir.com*

St. Augustine, Florida – (December 3, 2014) ViaAir today announced new, seasonal nonstop service between Charlotte Douglas International Airport (Charlotte, NC - CLT) and the Northeast Florida Regional Airport (St. Augustine, FL - UST).

Aimed at holiday travel, ViaAir will introduce a seasonal, holiday flight schedule from St. Augustine to Charlotte, North Carolina. The new service will begin on December 19, 2014 and run on select dates through January 20, 2015. Passengers will also have the option of booking continuing flights through Charlotte and on to Beckley, WV (BKW).

To celebrate this announcement, ViaAir is offering fares as low as \$68* each way to/from St. Augustine to Charlotte (including applicable taxes and fees), available for purchase only at FlyViaAir.com. With an industry leading reliability rate of 99% dispatch, ViaAir promises passengers an impressive level of care, attention, and dependability.

Irit Vizer, President and COO of ViaAir said, "We are thrilled to offer more convenient, low-cost travel options to St. Augustine and the Jacksonville communities. Our experienced team of professionals understands that client satisfaction is critical to the creation of a successful flight operation. We pride ourselves at being more than just transportation; as such we always go above and beyond as proven in our excellent client satisfaction rate."

The ViaAir Holiday Flight Program to and from Charlotte, NC will include the following departures will include departures on the following December and January dates:
