- **Agenda Items:**

### **1. Northeast Florida Regional Airport Master Plan and Projects (1 hr)**

Purpose of Item: Discussion

#### **Background:**

The Airport Layout Plan (ALP) serves as the official blueprint for the future development of Northeast Florida Regional Airport, identifying planned improvements necessary to support growth, enhance safety, and maintain regulatory compliance. The ALP, which has been approved by the Federal Aviation Administration (FAA), outlines a series of infrastructure projects designed to meet the long-term operational and economic needs of the airport.

#### **Purpose:**

The purpose of this workshop item is to provide an overview of the key projects identified on the ALP, discuss their anticipated timelines, funding strategies, and align the airport's strategic objectives. Projects for discussion may include runway and taxiway enhancements, apron expansions, facility upgrades, and future development parcels intended for aviation-related businesses.
